

**Instructions to join the ISCAR 2017
knowledge building community on Knowledge Forum**

1. Go to <https://kf.tact.ulaval.ca>
2. If you already have an account or have a Laval University account (IDUL), select one of those authentication methods and skip to step 3, otherwise follow the following sub-steps to create an account.
 - a) To create an account, please choose the “New Account” link in the top navigation bar or at the bottom

Login

Please select an account to use for login:

[Local KF Account](#)

[IDUL \(Laval University\)](#)

New Account

If you don't have an account, you can create one by following this link: [New Account](#)

- b) Fill the new account form with the desired information. Please note carefully the username and password you choose, because the password reset feature is not implemented yet. You will have to write to christian.perreault@fse.ulaval.ca if you forget your password.
